**great great great home computer** December 28, 2011

By [david jaybird](#)

Advertisement

**Amazon Verified Purchase**

My computer quit working and I get paid weakly so I needed a computer that would not cost an arm and a leg got this one at a good price and I couldn't be happier

**Excellent** February 9, 2012

By [Gman](#)

**Amazon Verified Purchase**

I was very pleased with this item. It Arrived much faster than predicted. The computer was in good physical shape and performed as described. I bought this computer as an inexpensive/ temporary use for my mother. She has been very happy and may even keep it longer than originally planned.
